SERVICES AT THE CHURCHES TODAY

Distinctive Features of the Services at the Different Places of Worship This Easter Sunday.

BAPTIST CHURCH.

The services held throughout the week at the First Baptist church by Rev. W. A. Hamlett of Rockdale have been of marked benefit to the community. The church has been greatly revived, the interest has constantly grown, and while there has been little demonstration, the fact that each day's services have drawn larger crowds than the day previous, shows the result of the earnest work of the preacher, pastor and active members. No service was held yesterday morning. The subject of the sermon last night was, "One Thing Thou Lackest."

There will be three services held today. At 11 a.m. Rev. Hamlett will preach on "Paul's thorn in the flesh." In the afternoon at 3 o'clock he will preach a special sermon to the members of the Bryan Anti-Cigarette league on "the Boy Jesus." While this service is directed more especially to the league members, all are cordially invited—boys, girls and older ones. "The Gospel" will be the subject of the sermon tonight.

CATHOLIC.

Rev. Father Machan of St. Joseph's church will celebrate early mass this morning at the Italian Catholic church at 8 o'clock, and solemn high mass at 11 o'clock. The young ladies of the convent will sing at high mass. Father Militello of the Italian church will celebrate solemn high mass at 10 o'clock.

METHODIST.

Easter services will be held at the Methodist church this morning at 11. All the members and friends of the church are especially requested to attend, and all those without church affiliation who have no preference elsewhere. Evening services as usual.

FREE BAPTIST.

Easter services at the Free Baptist church this morning at 11 o'clock. Preaching by Rev. A. M. Stewart. No services tonight.

Home, Sweet Home.

From a neighboring paper comes a story that sounds like an Arabian Nights tale, yet its authenticity is vouched for. The exchange gives a description of nine little ponies of the Shetland variety who, at a command from their trainer, play with remarkable skill the beautiful old song, Home, Sweet Home. They accomplish the feat by means of bells attached to their heads. It is, indeed, remarkable what can be taught dumb animals. These little musicians are members of the Floto shows which are billed to exhibit at Bryan Monday, April 20.

SLUNG SHOT OF SOCK

Shocking Evidence Adduced as Result of Investigation.

PATIENTS TESTIFIED.

Attendants of the Lakeland Insane Asylum, Near Louisville, Ky., Are Charged With Numerous Acts of Cruelty.

Louisville, Ky., April 11.—As a result of the investigation into the charge of alleged cruelty on the part of the attendants at Lakeland insane asylum, situated about eleven miles from this city, some disclosures of a startling nature have been made. A number of patients testified before the investigation committee they had been victims of acts of cruelty, and some witnesses stated that they feared to tell all they knew on account of the fear they would suffer at the hands of attendants at the close of examination. According to the testimony of several witnesses one favorite form of punishment for slight infractions of rules on the part of patients was beating with a slung-shot formed sock, in which a potato or some other hard vegetable had been placed. Some patients declared they frequently had been choked. One had been taken into a back room and tied to a chair, an attendant following with a leather belt. Witnesses who told this story did not know what occurred in the back room, however. Bruises on breast and legs of one of the patients was shown as a proof he had been kicked by attendants, and it developed that shower baths were also used as a means of punishment, the patients being held while cold water was allowed to drip on them.

Two attendants, after being questioned, admitted they kicked and choked patients, but stated they had been forced to do so in self-defense, as they had been attacked.

CARNEGIE'S IDEA.

Predicts People of United States, Canada and Great Britain Will Be United.

Toronto, April 11.—Andrew Carnegie is quoted as saying in reply to an invitation to attend a demonstration of Canadian born persons from all parts of the continent, to be held in July: "Any movement such as that which you describe moves me deeply. The oftener people of the old home and new gather together, and the better they know each other, the sooner will come that day, which I am certain is to come, when they will be united and insure the peace and prosperity of the world. That the people of Canada and the United States and Great Britain are to remain divided, talking boundaries and military forces on one side or the other to protect one from the other is not to be thought of. Some day they will come together and move together in all international affairs. Indeed, they will not be different nations."

ARMY CHANGES.

Number of Important Ones Have Been Made Among Generals.

Washington, April 11.—Several important changes in the army have occurred. Major General Robert P. Hughes, having reached the age of sixty-four years, which marks limit of service on active list, was placed on retired list. He was recently relieved from duty of the command of the department of California. The vacancy in grade of major general caused by General Hughes' retirement was filled by promotion of Brigadier General Joseph C. Breckenridge, inspector general of the army. That officer will be immediately retired and Brigadier General Marshall I. Ludington, quartermaster general of the army, will be promoted to the rank of major general. General Ludington will in turn be retired and the vacancy thus created be filled by the appointment of Brigadier General James F. Wade to the grade of major general. The appointment of General Wade will be permanent until his statutory retirement in April, 1907. General Wade is now in command of the department of Luzon. On statutory retirement of Major General George W. Davis, in July next, General Wade will succeed to the command of the division of the Philippines, which includes all military forces of the islands.

Two Young People Drowned.

Jacksonville, Fla., April 11.—Mattie Lou Smith, twenty years old, and "Nick" Butler, eighteen years, were drowned in St. Johns river, near the Florida East Coast railway bridge.

Passed Unanimously.

The Hague, April 11.—At an urgent sitting of the first chamber of The Netherlands parliament the anti-strike bills previously adopted by the second chamber were passed unanimously.

Villagers Revolt.

Salonica, April 11.—The inhabitants of some of the villages in the district of Petrich have revolted. A detachment of 350 Turkish troops has engaged with the insurgents. Reinforcements have left Salonica for the scene of the disturbance.

SMALLPOX IN GRIMES.

W. B. Boney of Cotton Dies From the Effects of the Disease—John Shannon a Victim.

A virulent form of smallpox is becoming prevalent in North Grimes. There are about a dozen cases in the Cotton community, and the development of the disease has reached the stage where some measures should be taken by the authorities to stop its spread.

B. W. Boney, a prominent citizen of Cotton, and a good and true man, died of the loathsome disease Wednesday night at 12 o'clock, and was buried yesterday. He was about 42 years old and leaves a wife and nine children.

John Shannon, who lives near Pankey and who once resided in Madisonville, has smallpox and is in a dangerous condition.—Madisonville Meteor.

Mr. John Shannon died Thursday morning.

The following letter addressed to Mrs. L. L. McInnis, president of the Mutual Improvement Club, refers to the opportunity afforded young ladies for studying medicine and pharmacy at Galveston, and will be found of general interest:

Dear Madam President.—As a member of the committee appointed on University Hall, it is my duty as well as my pleasure to ask you to assist us in publishing to the young women of Texas that there is a beautiful hall in connection with the Medical Department of the State University, located at Galveston, where young women may be comfortably lodged for the small sum of \$5.00 each month, and a dining hall where wholesome food is provided for \$10.00 each month. This hall was a gift for the benefit of the young women of Texas from Mr. George W. Breckenridge of San Antonio, and here our young women can pursue in comfort their studies in medicine or pharmacy. Will you have this letter read in your club and will you talk to your aspiring girls of this great opportunity?

Wishing you all success in your work
Yours cordially
Mrs. J. C. Colt,
Mem. Com. University Hall,
Denton, Texas, April 3, 1903.

The Mutual Improvement Club met with Mrs. G. M. Brandon on Wednesday afternoon and thirteen members responded to roll call with quotations on "Woman."

PROGRAM.

Social Slavery.—Mrs. Harrison. The best motive a mother can give her children for doing right.—Discussion.

The value of a club woman's vote.

—Mrs. Sims.

Do women's clubs tend to separate husbands and wives in social affairs?

—Mrs. Hanway.

How may we teach courage and patriotism to children without arousing the spirit of belligerency?—Discussion.

The members are delighted to have Mrs. McInnis back and gave her a most cordial welcome on her return.

Mrs. W. A. Banks, an honorary member, was present, and added much to the pleasure of the meeting. Mrs. Banks occupies a very warm place in the hearts of the members. The club is much gratified at the success of the Woman's Edition of Pilot, and the business manager reports that the gross receipts amount to \$227.45.

The Shakespeare Club held its regular Thursday meeting with Mrs. James H. Webb. The club was called to order by the president at 3 o'clock. The reports of the committees were the feature of the business session. The chairmen of these several committees received the thanks of the chair for their promptness in reporting. After roll call the club enjoyed the splendid papers. Mrs. Burger was in touch with three year's course of study which the club has enjoyed when she gave her paper "Shakespeare's Friends and Foes." Mrs. Buchanan read an article on "Bryan, Before and After Clubdom," which gave many instances of the club woman's help and influence in our little city. Mrs. J. H. Webb conducted the table-talk. Mrs. A. B. Carr responded with "Women in Music"; Mrs. Rhodes with a sketch of the artist Fortuny. Mrs. Oliver read a "Club Creed," and Miss Parks gave the club the pleasure of listening to a selection from her favorite composer Chopin. Mrs. Milton W. Sims was the guest of the club. At 5 o'clock the club adjourned to meet with Miss Batte April 15.

Miss Lavenia McConico, sponsor of the Houston Rifles, entertained the officers and members of the company Friday evening at the home of her parents, Mr. and Mrs. A. D. McConico. The college colors, white and red, predominated in the decorations, and were prettiest in the wealth of natural roses and Easter lilies tastefully disposed in the rooms. Chairs and settees were arranged on the wide, cool veranda and the lawn. Music and dancing were enjoyed and refreshments served. Present, Dr. and Mrs. David F. Houston, Prof. and Mrs. Philpott, Capt. Richard Mansfield, Lieut. Erhardt and Kinsloe, and members of the Houston Rifles. Shakespeare Club Adjournment.

The song by Miss Hattie Smith was written and composed by Mrs. Nettie Houston Bringham.

Mrs. Doremus was the hostess of the Woman's Reading Club Tuesday afternoon. After routine business, Mrs. Allen read a sketch of Joaquin Miller, which was intended for a previous meeting. The regular program was a study of the life and works of Sidney Lanier, as follows: "The Story of his Life," by Miss McDougald. His Purpose in Life, as shown in "Life and Song." The Beauty of his Home Life, as shown in "My Springs." "In Absence," "Thou and I," leader, Mrs. Sam. R. Henderson. A paper on the "Art and Spiritual Meaning of his Poems" was read by Miss Bettie Johnson. Mrs. J. H. Allen led an interesting table-talk on Chopin. After adjournment, the ladies lingered to hear read two beautiful poems, written by Mrs. A. P. Anderson's father and sister. These poems are compiled in William Gilmore Simms' book of poems.

Mrs. R. M. Gordon entertained the Chaffing Dish Club Friday morning from 10 to 12. The pretty rooms were fresh with the breath of spring flowers, and the charming hostess, Mrs. Gordon, and her mother, Mrs. W. E. Saunders, gave their guests most perfect and hospitable entertainment. Vocal numbers by Mrs. George W. Winter, Miss Froelich of Navasota, and Mrs. J. Webb Howell, and instrumental numbers by Misses Howell, Robinson and Coulter were much enjoyed. A salad course was served with refreshing iced tea. In addition to the club members, there were present the following guests: Mrs. George W. Winter, Miss Froelich, Mrs. E. J. Fountain, Boyle, Sam. M. Winters, A. J. Buchanan, G. G. Shelly, M. P. Yarbrough of Navasota, Carnes, Misses Howell, Coulter and Robinson.

Miss Shirley Callier of Dallas, maid of honor, Misses Harbers, Tarlton, Tennyson, Dickerson, Scott, add Garrett. Messrs. J. E. Astin, James Rhea, Fred Heard, Praetzer, C. F. Oliver, E. O. Saunders and Dr. Metz, little Miss Dorcas Parker and Master Jim Astin will form the wedding party to attend the Perkins-Astin wedding on April 22. The out of town bridesmaids will be entertained in the home of Mr. and Mrs. G. S. Parker. Miss Maria Torbert principal of St. Mary's College in Dallas, of which Miss Astin is a graduate, will attend the wedding and will be the guests of Mr. and Mrs. Milton Parker. Rt. Rev. Bishop A. C. Garrett of Dallas, will perform the wedding ceremony, and will be the guest of Dr. and Mrs. W. H. Oliver.

The Sewing Club was charmingly entertained on Thursday afternoon by Mrs. P. S. Tilson. No idle hands were in evidence, each member of the club being intent upon some piece of beautiful work. Miss Jennie Howell has recently become a member of this very popular little club. Mrs. Tilson served her guests with strawberries, whipped cream and cake. A string band, stationed in the hall, furnished music during the afternoon. Besides the regular members of the club, Mrs. Tilson entertained Mesdames McKenzie, G. S. Parker, C. A. Adams, Ed Hall, A. B. Carr, Jr., Tyler Haswell, A. J. Buch-

anan, George W. Winter, H. G. Rhodes, M. Parker. Misses Doremus and Froelich.

Miss Astin will be the guest of honor at the luncheon given by the Shakespeare Club, at the home of Mrs. W. H. Oliver, Saturday, April 18. Only the club members, with the addition of Mrs. W. E. Astin and Mrs. G. S. Parker will be entertained. The breakfast tendered Miss Parker on the 9th of last April is yet remembered by those present as a very beautiful and brilliant affair. Miss Nan Parks kept her wedding so quiet that the members of the club were forced to be content with sending to her a lovely remembrance of the day. Miss Astin's wedding, however, affords the club the opportunity of offering her the compliment of the luncheon.

In response to an invitation Mrs. M. W. Sims joined the Shakespeare Club on Thursday afternoon at 4 o'clock. She came before the club for the purpose of expressing to the ladies the ideas and impressions brought away from the Executive Board in Terrell. Mrs. Sims touched briefly upon the subject of the hospitality shown the visiting club women by the Terrell people. While in Dallas, Mrs. Sims had the pleasure of seeing and hearing Lorado Taft in one of his beautiful lectures, and the Shakespeare Club listened to Mrs. Sims' description of this wonderful man with great pleasure.

Miss Kendrick entertained the Bachelor Girls Wednesday afternoon at the residence of her grandparents, Judge and Mrs. Spencer Ford. A very interesting contest entitled "A Floral Wedding," was enjoyed by all present. Dainty refreshments were served, after which the young ladies adjourned. Miss Kendrick will long be remembered by the Bachelor Girls, and many pleasant reminiscences will be cherished by those present. Visitors present were Mrs. A. B. Carr Jr., Mrs. True, Mrs. Robt. Ford, Mrs. J. S. Ford, Miss Froelich, Miss Brietz, Miss Roberts, Misses Griffin.

The Eagle acknowledges receipt of the following invitation:

Mrs. O. H. Astin invites you to be present at the marriage of her daughter Daisy Ethel to Mr. Frank Dudley Perkins on Wednesday evening, April 22nd one thousand nine hundred and three St. Andrews Episcopal Church Bryan, Texas.

Reception at home nine o'clock.

Mrs. Harrison, an M. I. C. member, distributed a number of copies of the Woman's edition of the Pilot to woman subscribers on Thursday. The consensus of opinion is that the journal is an unusually interesting one and a credit in every particular to its feminine staff.

The Campus Ladies Club at College met on Friday afternoon with Mrs. D. W. Spence. The ladies discontinued their studies until next fall.

The meeting of the College Musical club has been postponed until the coming Friday evening when it meets with Prof. and Mrs. Gibbs.

AS TO PENNELL CASE

Result of Inquest Into the Cause of
Their Deaths.

IS NOT DETERMINED.

Justice Murphy Unable to Decide as
to Whether the Fatal Auto-
mobile Plunge Was an Acci-
dent or Premeditated.

Buffalo, April 11.—The inquests in-
to the death of Arthur Pennell and
Mrs. Pennell before Justice Murphy
Friday did not throw any light upon
the Burdick murder mystery and did
not show whether Pennell and his
wife committed suicide or were killed
by accident on March 10, when their
automobile plunged into Gehres quar-
ry. The inquest began at 3 o'clock
and was ended by the reading of Jus-
tice Murphy's verdict.

Thos. Penny, who has acted as at-
torney for the Pennell family since
Arthur Pennell's death, declared that
so far as he was aware, nothing in the
papers left by Pennell, would throw
any light upon the murder of Edwin
Burdick. When questioned regarding
the alleged defalcations by Pennell,
Mr. Penny declined to answer. J.
Frederick Pennell brother of the dead
lawyer and administrator of his es-
tate, who has possession of most of
the papers, was out of the city and
Mr. Penny informed the court that
he did not know where he was or
when he would return to Buffalo.

"Evidence that would show defalcation
would simply be cumulative,"
said Justice Murphy, after the evi-
dence was all in. "No stronger mo-
tive could be proved than has already
been brought out here. But proving
a motive does not establish suicide.
The court is prepared to announce its
findings." Judge Murphy then deliv-
ered his verdict as follows:

"I find and certify:
That Arthur R. Pennell came to
his death on the tenth day of March,
1903, as a result of injuries received
while riding in an automobile, the
said automobile plunging from an em-
bankment into Gehres stone quarry.
That I cannot determine from the
evidence submitted whether such
plunge was accidental or designed.
That Carrie Lamb Pennell came to
her death as a result of the said
plunge of the automobile into the quar-
ry.

WILL BE FIRM.

Castro, to Sustain Bowen in the Prefer-
ential Treatment.

Washington, April 11.—News was
received from Venezuela to the ef-
fect that President Castro would re-
main firm and sustain Herbert W.
Bowen, Venezuela's plenipotentiary in
the attitude he has taken respecting
the settlement of the claims against
Venezuela and in favor of referring
the question of preferential treatment
of the blockading powers to The
Hague for determination. The same
statement contained the information
that no overtures have been made to
President Castro directly by the repre-
sentatives of the allied governments
for settling the controversy. But
overtures with this object in view have
been made to the government by some
financial syndicates.

Mr. Bowen has opposed bitterly any
settlement through financial syndi-
cates and President Castro has sus-
tained him. It is believed by Mr.
Bowen that now this matter is settled,
the protocols remaining to be agreed
on prior to a reference to The Hague
will be concluded before long.

FAMILY DROWNED.

The Damage by the Arkansas Cyclone Is
Thought to Have Been Great.

Little Rock, Ark., April 11.—A spe-
cial to the Arkansas Gazette from
Newport, Ark., says: During the tor-
nado of last Tuesday night a family
of pearl fishers named Tapp, who lived
in a shanty boat on White river,
were drowned. There were three in
the family. The boat was torn to
pieces by the wind in a moment.

Belated reports from Van Buren
county which is remote from railroads
and from the village of Pearson in
Cleburne county show that the damage
done by the tornado has been under-
estimated. Pearson was almost wiped
out of existence, nearly every house in
the hamlet being razed to the ground.
Among those who are known to be
seriously and probably fatally injured
are J. M. Clayton, his wife and his
daughter Ina. Friday's dispatches
from Morrilton from a correspondent
who had gone into Van Buren county
for the Gazette tell of ten houses at
Greasy Valley being blown down. This
damage has not heretofore been re-
ported. Five villages in Van Buren
county are known to have been de-
stroyed and many more are thought to
have been.

Had a Lively Fight.

Paris, Texas, April 11.—Sheriff Car-
penter and deputies had a desperate
fight with alleged horse thieves near
Hinckley, seven miles north. A num-
ber of shots were exchanged, but no
one hurt. The parties finally got away.
These men are believed to be part of
a gang, two of whom were killed last
week near Antlers, I. T.

Given Life Sentence.

Lawton, Okla., April 11.—In case of
territory vs. Mart Perkins the jury
found him guilty of the killing of Ar-
thur Beemblossom and gave him a life
imprisonment. Young Beemblossom
in company with his father, Dr. Beem-
blossom, was crossing the prairie
near Waurika during the evening.
An appeal will probably be taken
for.

AN APPEAL.

World's Fair Commission Requests All
Texans to Assist.

Dallas, April 11.—The Texas World's
Fair commission met here Friday,
John H. Kirby presiding. It was de-
termined to make a strong effort to
make an exhibit at St. Louis and every
member of the board pledged his very
best effort to make it a success. Fol-
lowing was adopted:

"Resolved, That it is the sense of
this commission that it proceed with
all possible diligence to make the ne-
cessary arrangement to erect a build-
ing and make an exhibit at the St.
Louis exposition.

"That the commission proceed at
once to raise funds for this purpose,
and if by July 1 the sum of \$100,000
be subscribed the subscription shall
become due and payable, and that no
obligation shall be incurred other than
incidental expense until said \$100,000
is subscribed.

"That when the said sum of \$100,000
is subscribed the directors proceed to
contract for the erection of a Texas
building on the site already designat-
ed for that purpose and the collection
and arrangement of an exhibit of the
resources and products of Texas."

All subscriptions of \$1 and over
will be acknowledged through the
Galveston-Dallas News. The first sub-
scription, \$100, came from Mr. and
Mrs. C. T. Rowan of Dallas.

Ex Gov. Sayers, Hon. Barnett Gibbs,
Commissioner Wortham, Geo. Wright
of Palestine, E. H. R. Green of Ter-
rell and others made enthusiastic
speeches.

When Mr. A. H. Belo announced his
paper would publish all subscriptions
there was much applause.

The following named gentlemen an-
nounced subscriptions, some of which
are in addition to subscriptions al-
ready made by the same men: Barnett
Gibbs, \$250; T. S. Miller, \$100; T. B.
Love, \$100; C. A. Keating, \$500; C. P.
Russell, \$100; John H. Kirby, \$1000;
W. B. Slossom, \$100; B. B. Paddock,
\$100; Paul Waples, \$250; Jesse Shain,
\$250; J. P. Harrison, \$100; W. W. Dies,
\$100; A. P. Bush, Jr., \$100; Dr. C. B.
Raines of Mineral Wells, \$100; L. L.
Jester, \$100; George E. Webb, \$100;
George A. Wright, \$100; Hon. Joseph
D. Sayers, \$100; making a total of
\$2350.

LITTLE DONE.

Senate and House of Representatives Do
Not Accomplish Much.

Austin, April 11.—Neither one of the
houses of the legislature transacted
much business on Friday.

In the house much time was spent
in discussing two resolutions, provid-
ing for an investigation of penitentiary
affairs, during which discussion there
was some sharp criticism not only of
the manner in which the penitentiary
system has been conducted in the past,
but also other branches of the state
government. Consideration of these
resolutions was cut off by expiration
of the time for considering resolutions,
but under the head of privileged mat-
ters a resolution was adopted request-
ing the governor to advise the house if
he had any information to communi-
cate touching the alleged defalcations
at the Rusk penitentiary, and if he had
anything to recommend.

Senator Henderson called up his
resolution providing for the appoint-
ment of a joint committee of five, to
follow up the investigations of the in-
vestigating committee in the matter of
adjusting the differences in the school
and university funds as regards indebt-
edness thereto from the state or gener-
el fund. Adopted.

SACKED WINGS.

Three Hundred and Fifty Men Are At-
tempting to Repair Broken Ends.

New Orleans, April 11.—A force of
three hundred and fifty men remained
at Hymelia crevasse Friday sacking the
wings of the cribbing and attempting
to make secure the broken ends, but
no further attempt was made to close
the break and it is probable that the
water will run until there is a sufficient
fall in the river to warrant further ex-
ertions. Little confidence is felt in the
practicability of using sheet piling to
rejoin the cribbing because the river
is cutting out a deep channel and work
of this character is difficult. If the
wings last, however, there is no fear
that the crevasse in the levee will en-
large. It is variously estimated that
between \$100,000 and \$200,000 has been
sunk in the work at the Hymelia. The
Texas and Pacific will be forced to use
the Southern Pacific rails for its
through traffic until the water recedes.
Arrangements are again being made
for back levees to keep the water out
of the towns on the west bank of the
river, Algiers and Gretna.

The river here dropped to 19.9, a fall
of two tenths, or four tenths lower
than the maximum this year. The de-
cline is thought to be in part due to
the re-opening of Hymelia. It is gen-
erally believed that so far as New Or-
leans and its vicinity are concerned
the worst of the flood situation is over.

Czarina in Good Health.

St. Petersburg, April 11.—The re-
port circulated in Paris that the czar-
ina is suffering from peritonitis is not
true. She is in perfect health and
leaves here for Moscow with the
czar.

FOUR FATALLY HURT.

Result of a Fight in a Saloon in a Town
in Ohio.

Athens, April 11.—In a fight at
Jacksonville, twelve miles north of
Athens, four people were fatally shot
and one seriously shot.

The fight occurred in the saloon
where Mrs. Skrotsky is proprietress.
Shortly after 7 o'clock a crowd as-
sembled in the saloon for an evening
of card playing and drinking. There
were four men sitting at a table
engaged in a friendly game for the
drinks. Tinkham and Hoblett as part-
ners were playing Riley and Cochran,
who were badly beating their com-
panions. Presently Tinkham threw
down his cards declaring he had been
cheated, and remarking angrily that
he could not play with cards, he
pulled his revolver and his three com-
panions followed suit and the four
began to shoot at each other at arm's
length. A dozen shots were fired and
when their weapons were emptied four
men, three dying, lay in pools of blood,
while Mrs. Skrotsky, shot through the
breast accidentally, lay behind the
bar dying.

Good Man Dead.

Kansas City, April 11.—Rev. August-
us E. Gottschall, a well known Meth-
odist preacher in Mississippi and
Louisiana before and during the civil
war, is dead at his home. He found-
ed many churches in the south; was
active in hospital camps during the
war and rendered service in five yellow
fever epidemics, the last at New
Orleans in 1878. He leaves a daughter
in New Orleans.

Post-Election Frauds.

Chicago, April 11.—Members of
board of election commissioners and
Chief Clerk Rowell were adjudged
guilty by Judge Haney of contempt of
court in opening and counting ballots
cast for Lorimer and Durburrow in
Sixth Congressional district in viola-
tion of injunction issued to restrain
such action and fined \$100 each. They
refused to pay fines and an order was
entered for commitment to county jail.

Ratified by the Pontiff.

Rome, April 11.—The pope received
Monsignor Vecchia, secretary of the
congregation of the propaganda, who
submitted the names of Rt. Rev. John J.
Glennon, co-adjutor bishop of Kansas
City, Mo., for co-adjutor archbishop of
St. Louis, Mo., and Rt. Rev. Henry Moel-
ler, bishop of Columbus, O., as co-adj-
utor archbishop of Cincinnati, O.,
which the pontiff ratified.

Did Not Injure Himself.

Jersey City, N. J., April 11.—Arthur
C. Holden, claiming to be the cham-
pion high diver of the world, jumped
backward from the top of a pile-
driver ninety-two feet high into the
Hudson river, turning somersault in
his descent. He did it without break-
ing his neck, and then took a swim
to refreshen himself after his exertions.

Knocked Out Pugilist Dead.

Butte, Mont., April 11.—Henry Tay-
lor, who was knocked out in the sec-
ond round of a six-round go with Har-
ry White and who remained uncon-
scious several hours is dead. Physi-
cians declare the man was afflicted
with sclerotic heart and veins and the
blow would not hurt a well man. White
has been arrested.

Four Days' Fight.

Sofia, April 11.—A conflict lasting
four days has taken place between in-
surgents and Turkish troops in the dis-
trict of Melesli. The village of Berovo
was surrounded and burned.

Rome Again Serene.

Rome, April 11.—All strikers, with
the exception of compositors, have re-
sumed work, and Rome has regained
her normal aspect.

Do You Enjoy What You Eat?

You can eat whatever and whenever you
like if you take Kodol. By the use of this
remedy disordered digestion and diseased
stomachs are so completely restored to
health, and the full performance of their
functions naturally, that such foods as would
tie one into a double-bow-knot are eaten
without even a "rumbling" and with a positive
pleasure and enjoyment. And what is
more—these foods are assimilated and
transformed into the kind of nutriment that
is appropriated by the blood and tissues.
Kodol is the only digestant or combination
digestants that will digest all classes of
food. In addition to this fact, it contains, in
imitative form, the greatest known tonic
and reconstructive properties.

Kodol cures indigestion, dyspepsia and al-
l disorders arising therefrom.

Kodol Digests What You Eat
Makes the Stomach Sweet.
